Change of Admission Semester

Instructions:

- Available for one academic year; students missing more than 2 academic semesters are required to reapply to the program.
- If you have attended another academic institution since your initial admission to NMSU you are required to submit official transcripts.
- Complete and forward to the Graduate Program Director for the academic program you have applied to for a signature.
- Graduate Program Director should forward to gradinfo@nmsu.edu or the Admission Specialist working with your department.
- Students whose requests are approved will be issued a new admission letter reflecting the updated semester— International students will receive updated immigration documents as well.
