

Pathways to the Bilingual Endorsement for New Mexico Educators

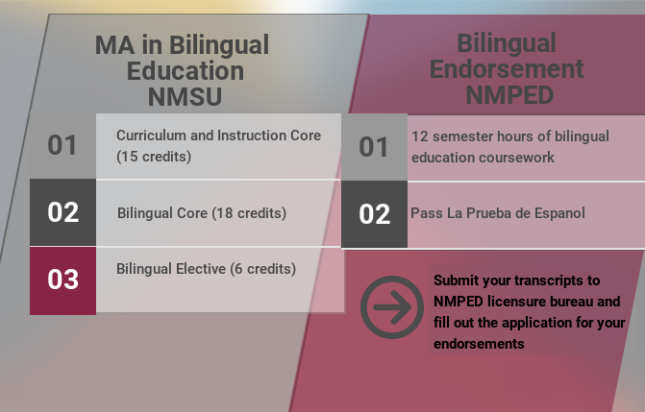

Did you know? Bilingual educators work in K-12 levels in New Mexico and support bilingualism and biliteracy, support grade-level academic standards, and build sociocultural competence. Bilingual education programs provide equitable educational opportunities for New Mexico's students. Educators with bilingual endorsements are highly valued in most school districts.

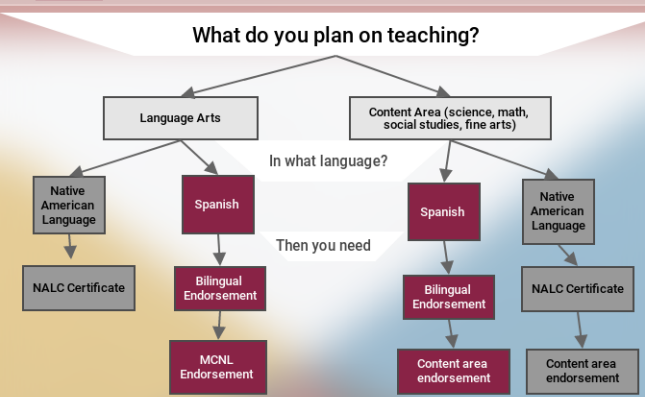

K-8 Bilingual Endorsement Requirements (Pre-service Educators)

Master of Arts in Education in Bilingual Education & NMPED Requirements (current educators)

6-12 or K-12 Specialty License Bilingual Endorsement Requirements
